Third Edition of
DEMOCRACY UNDER PRESSURE
An Introduction to the American Political System

MILTON C. CUMMINGS, JR.
The Johns Hopkins University

DAVID WISE
author and political analyst

The new Third Edition of the superb best-selling textbook for any first course in American government sets the tone with up-to-date coverage of any introductory text on the subject. Its opening chapter, "The Democratic Challenge," describes the democratic system as "highly unorthodox" in the international context of American corporate power. Subsequent chapters explore the historical and philosophical roots of U.S. belligerence and noninterventionism, the Reagan Administration's foreign policy, the Iran-contra affair, the Constitution, the presidency, Congress, the federal bureaucracy, the courts, civil liberties, civil rights, political parties, elections, public opinion, the media, interest groups, public policy, and the future of American democracy.

Each chapter has been updated to reflect the most significant developments in American politics and government since the publication of the Second Edition in 1984. Among the many new features in the Third Edition are:

- Coverage of the Iran-contra affair, the Democratic takeover of the Senate in 1986, the Supreme Court's 1986 decisions, the Gramm-Rudman-Hollings budget-balancing law, the Tower Commission report, the Reagan Administration's foreign policy, and the 1988 presidential campaign.
- Discussion of the Reagan Administration's efforts to reduce the size and role of the federal government, and the impact of those efforts on the federal budget, the federal deficit, and the national debt.
- Analysis of the Reagan Administration's efforts to reshape the federal judiciary, and the impact of those efforts on the federal courts.
- Discussion of the Reagan Administration's efforts to reshape the federal bureaucracy, and the impact of those efforts on the federal bureaucracy.
- Discussion of the Reagan Administration's efforts to reshape the federal regulatory agencies, and the impact of those efforts on the federal regulatory agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal civil rights agencies, and the impact of those efforts on the federal civil rights agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal environmental agencies, and the impact of those efforts on the federal environmental agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal consumer protection agencies, and the impact of those efforts on the federal consumer protection agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal labor agencies, and the impact of those efforts on the federal labor agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal education agencies, and the impact of those efforts on the federal education agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal health agencies, and the impact of those efforts on the federal health agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal transportation agencies, and the impact of those efforts on the federal transportation agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal housing agencies, and the impact of those efforts on the federal housing agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal energy agencies, and the impact of those efforts on the federal energy agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal agriculture agencies, and the impact of those efforts on the federal agriculture agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal commerce agencies, and the impact of those efforts on the federal commerce agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal science agencies, and the impact of those efforts on the federal science agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal space agencies, and the impact of those efforts on the federal space agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal defense agencies, and the impact of those efforts on the federal defense agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal intelligence agencies, and the impact of those efforts on the federal intelligence agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal foreign policy agencies, and the impact of those efforts on the federal foreign policy agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal trade agencies, and the impact of those efforts on the federal trade agencies.
- Discussion of the Reagan Administration's efforts to reshape the federal tax agencies, and the impact of those efforts on the federal tax agencies.
